

## CHEF'S MESSAGE

Our kitchen team love what they do and our food is cooked fresh so let us know if you are in a hurry. We take great pride in sourcing close to home but venturing further afield across the country to utilise produce which is season's best. Some of our dishes can be made with no added gluten, please ask a member of our team who will be able to advise you.

"One cannot think well, love well, sleep well, if one has not dined well!"
